is not shivery effects but rather the tortured souls of four generations of East Texas women, all members of the Burnham and Northgate families. Events are primarily narrated by Sarah Grissom, whose encounter as a lonely seven-year-old with a ghost in the attic of the Northgate family home prompts a recital of the family history. In that process we are introduced to a refined Mississippi bride thrust into the wilds of East Texas shortly after the Civil War

evocative language and several fine character sketches (notably a black conjure woman), the story eventually sags into sentimentality.
