The image shows a screenshot of a data management application. A central dialog box titled "Use Select Columns to" is open, listing two options: "Type of Work" and "Explanation of 'Other'", both with checked checkboxes. The background interface includes a top navigation bar with "Activities" and "CV Imports" tabs. Below the dialog, a table is visible with columns for "TYPE OF WORK", "EXPLANATION", "MANAGER", "CITY", and "STATE". A "City" filter is active, and a "Filters: None" indicator is present. On the left, a sidebar contains a "Main Performance" section with a "See Key" button. At the bottom left, a list of checkboxes is visible, including "Invited or Accepted?", "Was this poor-reviewed/abused?", and "Your address".
